Kalapohjat

Tulosta, leikkaa ja laminoi kalapohjat. Kirjoita vesiliukoisella tussilla kaloihin esim. tavuja, sanoja, lukuja. Levittele pohjat väripuoli ylöspäin. Huutele tavuja, sanoja tai esimerkiksi laskuja. Oppilaat läpsäisevät oikeaa läpsykorttia. Nopein saa kortin itselleen. Eniten kortteja kerännyt voittaa. Pohjia voi käyttää myös esimerkiksi juoksusaneluissa.
